

Installing GoMicro App

Go to your phones app store. For Apple it is the “App Store”, for Androids it is the “Play Store”.

1. Download “GoMicro Assessor”

2. Fill in the sign up details and Touch the “Sign Up” button.

3. Touch the “Scan QR Code” button and Scan the QR code we provide you with. (Only 1 Email address can be used per QR Code.)

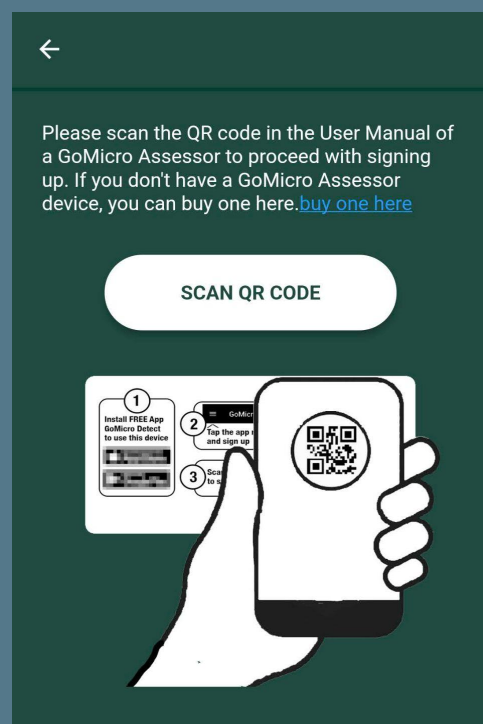

4. After the QR code is scanned it will ask for a verification code which will be sent to the email used in sign up

5. You can now login and use the app.

Step 2

The screenshot shows the 'Sign Up' screen of the GoMicro app. At the top, there are two buttons: 'Login' and 'Sign Up'. Below them, a message states: 'By signing up you agree to the Terms of Use and [Privacy Policy](#)'. The main form contains four input fields: 'First Name' (with the value 'John'), 'Surname' (with the value 'Smith'), 'Email' (with the value 'JSmith@gmail.com'), and 'Password' (with a masked input and an eye icon to toggle visibility). A 'SIGN UP' button is located at the bottom of the form.

Step 3

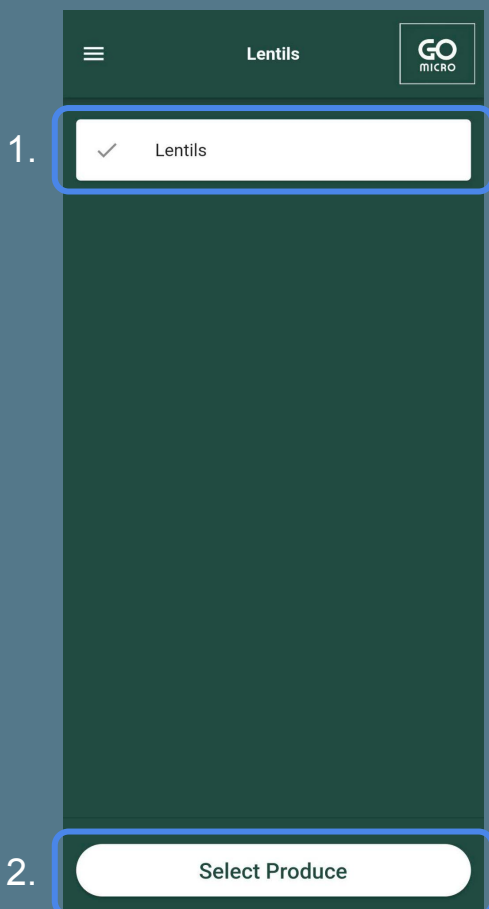

Using GoMicro App

Open the app and login with your credentials.

Once logged you will see a produce type (strawberry, lentils etc).

1. Touch the produce type.
2. Touch “Select Produce”
3. Touch the white circle to take a photo.
4. Touch the photo that appears in the bottom right.
5. Touch the circle at the bottom to assess the image
6. Touch the “X” button to go back to the camera.

Step 1 & 2

Step 3 & 4

Step 5 & 6
